### Your Day in St. Johns

Antigua has a beach for every day of the year – literally. But the island experience goes beyond 365 distinct ribbons of white sand and clear waters. In the capital city of St. John's, you'll discover charming candy-colored architecture, lively markets, and a beautiful baroque cathedral. But the best way to really see the island is from up above, so hop into a helicopter for a panoramic look at lush jungles, golden beaches, and the nearby volcanic island, Montserrat. Whatever you decide to do, we know you'll have an amazing time!

### Shore Excursions

Our Shore Excursions team will automatically refund any pre-paid Celebrity Cruises shore excursions affected by this change to your original form of payment.
